## A Little Knickerbocker History

On the first weekend of each February, the Lake Mills Main Street Program holds the Knickerbocker Ice Festival. The festival brings area residents out into the cold Wisconsin winter to have a great time and celebrate our community with fun activities. The festival took its name from the ice company that harvested ice from Rock Lake during the 1890's through the early 1900's. For Knickerbocker Ice Company history and photos go to [LegendaryLakeMills.com](http://LegendaryLakeMills.com).
